Commissioner for Patents

The amendment filed by the applicant on January 16, 2004 has canceled claims 1-9 and has newly added claims 10-21. However the newly added claims 11-21 are either directly or indirectly dependent from canceled claim 1. These discrepancies make the examination of the claims impossible. The examiner has tried to contact applicant's attorney, Mr. Brosco Kim, yet without success. The applicant is advised to submit a supplemental amendment, within one month, to correct the errors and to avoid possible future confusions to the application.
